

ATM System

A screenshot of a software window titled "ATM - Login". The window has a light gray background and a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area features the title "ATM Login" in a large, bold, black font. Below the title, there are two input fields: "User Name:" followed by a white rectangular box, and "PIN:" followed by another white rectangular box. At the bottom of the window, there are two blue buttons with white text: "Login" on the left and "Cancel" on the right.

User Mode

- Login in using user account

A screenshot of a software window titled "ATM - Welcome". The window has a light gray background and a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area features the title "Welcome, Sahid!" in a large, bold, black font. Below the title, the text "Account Number: 789470" is displayed. Below this, there is a vertical stack of seven blue buttons with white text: "Balance Inquiry", "Withdraw", "Deposit", "Transfer Money", "Mini Statement", "Change PIN", and "Logout".
